Dedicated to....

We, the Class of 1956, wishing to show our respect and devotion for our teacher and friend, Mrs. Sarah Bowen, dedicate this edition of the Peak to her.

Her sense of humor, her kindness and understanding, her willingness to help us cheerfully at any time, and her hard work for our benefit have won her our deep admiration and affection.

MRS. SARAH BOWEN

Knowledge we'll use agin' 'n agin

Memories we'll keep forever 'n ever

Shoveling it in---m-m-m- good!
The "Cut-ups"
School day's over--let's go home!

CONGRATULATIONS

To The

GRADUATING CLASS

FULLY ACCREDITED

A good school specializing in many branches
of professional business training.

You receive personal consideration of your interests or problems the moment you visit McLains. Guidance, Admissions and Placement are at your service. Small classes mean a more personalized education. A well-balanced program of study. Today, the expression "learning the business" is fast disappearing from the vocabulary of business men. Modern business hasn't time to vocationally start out its employees. The trained ones win!

Well organized social activities, and athletic program to better prepare for social and civic leadership. You train for a definite career goal. By studying only subjects directly related to the business field of your choice, requires shorter time with a resultant lower cost. It pays to prepare at McLains—just ask anyone who knows.
